

## Our Message

We are a reformed Baptist Church in the Southern Baptist Convention. We are convinced that changed minds lead to changed hearts, leading to changed lives, all to the glory of God!

We believe that salvation is all of grace, and that the Gospel is revealed to us in doctrines that most faithfully exalt God's sovereign purpose to save sinners and in His determination to save his redeemed people by grace alone, through faith alone, in Christ alone, to His glory alone.

We also believe that the Gospel of Jesus Christ is God's means of bringing salvation to His people, that sinners are commanded to believe the Gospel, and that the church is commissioned to preach and teach the Gospel to all nations.

Thus we declare that salvation comes to those who truly believe and confess that Jesus Christ is Lord, that sinners are justified only through faith in Christ, and that justification by faith alone is essential and central to the Gospel.

Our sure and confident hope is in the sure and certain promises of God.

## Our Distinctives

Grace Fellowship Baptist Church holds these distinctives at its core:

- The Bible is Our Authority,
- The Gospel is Our Message,
- The Historical Beliefs and Practices of Baptists are Our Identity,
- The Protestant Reformation is the Genesis of Our Affirmations and Denials,
- The Doctrines of Grace or Reformed Theology are the Guiding Tenants of Our Systematic and Biblical Theology.

Grace Fellowship Baptist Church holds to a reformed doctrinal confession, affirming the Gospel of Jesus Christ as the most important statement a church can make. We also believe that Scripture is powerful and does a mighty work when handled in a proper and revered manner. Thus, we hold that the Word of God is the foundation for life and godliness in its proclamation through expository preaching and teaching.
